

FLIGHT INSTRUCTOR (RESTRICTED) CERTIFICATE SCHOLARSHIP

CLOSING DATE FOR APPLICATIONS

17 March 2021 at 12 noon

INTERVIEWS IN LONDON

5 May 2021

The aim of the Scholarship Programme is to assist the successful individual who may not otherwise have the necessary financial resources, to achieve a Flight Instructor (Restricted) Certificate. Successful applicants will be able to demonstrate serious ambition and enthusiasm to become a Flight Instructor as well as good technical knowledge, ability to make a presentation to a small audience and an understanding of the role of a Flight Instructor.

The Scholarship covers direct training and examination costs only; costs of obtaining the required medical certificate, associated travel, subsistence, accommodation and licence issue expenses are the responsibility of the Scholarship winner. Applicants must be able to satisfy the relevant UK medical standard to enable the issue of an appropriate licence. Candidates must meet the pre-entry requirements for the Flight Instructor course which are relevant to the licence held.

The Company will expect training to be carried out at an UK Approved Training Organisation based in the United Kingdom which is also approved by the Company. Arrangements should be in place by mid-June and all training and testing completed by 5th October 2021.

Candidates who are short-listed for the Flight Instructor Scholarship are required to attend (at their own expense) an interview which will be held on 5th May 2021 at the Company office in London. No alternative dates are available. The awards are made by a Selection Committee who will need to see documentary evidence that all pre-entry requirements are met.

Detailed terms and conditions can be found on the Company website at:

<https://www.airpilots.org/scholarships-career-and-aviation/flying-scholarships/flying-scholarships-2021/>

Applications must be made in your own handwriting on this Application Form which should be scanned as a 5-page pdf document no larger than 3mb and emailed to office@airpilots.org. Please save your document surname.firstname

Applications not meeting any of the requirements above will be disregarded.

Use and Protection of Personal Data

The information that you provide in this form (when completed) is used solely and specifically for selection and administration purposes of the scholarship programme. The Company only uses personal data in accordance with its Data Protection Policy, which conforms with current UK legislation. With your specific permission, your data will be shared with members of the Company for scholarship selection and administrative purposes and will not be released to any third party for other purposes without your prior permission. By signing this form you acknowledge and give consent for the Company to share your details for the purposes stated.

Administered by The Honourable Company of Air Pilots

A Livery Company of the City of London

Date of 540km (300nm) cross-country Flight		
Instrument Flight Instruction Received		

APTITUDE TESTING RESULTS

Have you ever taken any Pilot Aptitude Testing?	If so, when and where did this take place?	For which organisation?	Result
Yes / No			

QUESTION #1

The Scholarship is intended to assist pilots who wish to become long-term Flight Instructors who might otherwise not be able to fund their training. Please explain why you want to become a Flight Instructor and why you are applying for the Scholarship. (Maximum 150 words)

QUESTION #2

Not all pilots are capable of being Flight instructors. Please give, in your opinion, the three qualities a Flight instructor should have and explain why this is the case. (Maximum 120 words)

QUESTION #3

The Flight Instructor course is intensive and involves flying ability, teaching skills and technical knowledge. What do you feel will be the area you need to work on the most in order to achieve the required standard for the Assessment of Competence and how might you go about this? (Maximum 150 words)

QUESTION #4

Finally, thinking about the flight and ground training you have had thus far in your aviation experience, what might you have done differently looking back? (Maximum 100 words)

- I confirm that I have read and meet the pre-entry requirements as listed on page one of this form
- I confirm that I am available to commence training by mid-June 2021 and to be completed by 5th October 2021
- I agree to abide by the decision of the Selection Committee and, if selected, the conditions of the scholarship
- I understand that the Selection Committee may wish to exercise the right to take up verbal references from current and/or past employers and schools
- I hereby certify that all the information included in this application is my own work and is true to the best of my knowledge

Signed _____ Date _____

Applications must be scanned and emailed in the form of a 5-page pdf document. Please DO NOT attach CVs, copies of certificates, continuation sheets etc. Only the application form will be retained and assessed. Applications not complying with these instructions will be disregarded.
